Interfaccia utente

The image shows a user interface with a light blue background. On the left side, there are three vertically stacked input fields. The first is labeled 'Base', the second 'Altezza', and the third 'Area'. To the right of these fields are two buttons: 'Calcola' is positioned above 'Annulla'. Both buttons have a light gray background and a thin black border.

Codice Visual Basic

```
Private Sub Calcola_Click()  
Area.Text = Base.Text * Altezza.Text  
End Sub
```

```
Private Sub Annulla_Click()  
Base.Text = ""  
Altezza.Text = ""  
Area.Text = ""  
End Sub
```
